

Thank you so much for your interest in becoming a sponsor!

Because we have exciting news! We will be presenting Artwalk Presents in underserved communities in South Dade throughout 2023. Artwalk Presents is a free family community arts events that bring together various communities and art mediums to expose the community to the rich diversity of art, art programs, and other community and human resources available to residents.

Artwalk Presents provides small business owners with an opportunity to place their products and services in front of an audience that may not have otherwise been aware of them and what they offer. In addition, local artists can display their art pieces as well as create live art during each event.

We can host these events as a direct result of generous organizations such as yours that are willing to sponsor Artwalk Presents. By becoming one of our corporate sponsors, you will have the opportunity to get your business name out to all demographics from Miami to the Keys.

Regardless of the amount you choose to give, your company name will be included in all of our event promotion, and you will be included in the press release that we will publish on our website.

We are accepting cash donations as well as in-kind donations of goods or services.

Please don't hesitate to contact me directly at 305-776-0741 or [info@artwalkpresents.com](mailto:info@artwalkpresents.com) if you have any questions.

All the Best,
